23rd January 2017

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline application for the erection of up to 300 dwellings & ancillary development comprising open space, a building within use class D1 (Non- Residential Institutions) of up to 875 square metres net, a building for A1 (Shops) use having a floor area of up to 530 sq. metres net, together with open space & ancillary works, including car parking & drainage arrangements, with appearance, landscaping, layout & scale wholly reserved for subsequent approval. The access detail, showing the points of access to the development, & indicated on Bellamy Roberts drawings numbered 4724/004 & 4724/005 are access proposals to be determined at this stage of the application. For the avoidance of doubt all other access detail within the site is to be determined as a reserved matter at a later stage. This application is a Departure from the Development Plan & affects the setting of Listed Buildings.

Land West of Church Lane & South of Horsemere Green Lane Climping

---

Thank you for your internet representation made on 22nd January 2017 which has been recorded as **'an objection'** with the comments as follows:

> *I object to this application on many levels. There is no community demand for additional housing - indeed the scope of the approved Climping Neighbourhood Plan does not include this anyway. Was it worth the time and trouble in bringing together the community to agree a Local Neighbourhood Plan?*
>
> *A development of this size will have a major impact on the local infrastructure, i.e. medical facilities, schools, drainage, water, sewage and importantly, traffic congestion.*
>
> *The Application Statement made in the Transport Assessment in relation to the A259/Yapton Road junction (Oystercatcher junction) grossly minimises the dangers associated with this junction, as all those who use it know only too well. It is poor judgement to state that the 5 accidents including 2 fatalities and, one serious accident "was mainly due to driver error" and that "it was difficult to identify relevant remedial measures" that could be made to this road junction.*
>
> *With regard to this application, I strongly feel that a development of this magnitude should be required to fund much needed major improvements at the Oystercatcher junction, as well as the proposed new roundabout.*
>
> *I request that the application to build 300 houses on the land West of Church Lane and South of Horsemere Green Lane should be refused as there is no demand for additional housing in Climping, and the roads and infrastructure do not support current demands let alone the requirements of the future.*

Your views will be considered before the application is determined and I shall write to inform you of

any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Karl Roberts
Director Planning & Economic Regeneration
