---

Thank you for your internet representation made on 3rd February 2017 which has been recorded as **'an objection'** with the comments as follows:

> *Doubling the size of our village.*
> *We do not want it.*
> *noise and pollution.*
> *Destroying agricultural land and it could be seen now that there is problems with imports of lettuces and greens from Europe and what will follow, so we need to make as much use of our farming land as possible.*
> *Destruction of wild life.*
> *Over development.*
> *The proposed roundabout is impractical and diverting HGVS into the development and onto Horsemere Green Lane is madness as lorries cannot turn in the space available.*
> *I will completely change the character of the village and not only effect them but will effect surrounding villages.*
> *I hope the Planners see sense and take the concerns of the residents into account over and above the dictates of Government and take the easy way out to meet housing allocations.*
> *thank you*

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be

advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
