---

Thank you for your internet representation made on 14th February 2017 which has been recorded as **'an objection'** with the comments as follows:

> *Clymping has a ratified Neighbourhood Plan and this proposal clearly runs against the wishes and needs of the local community.*
> *The proposal for over 300 houses would substantially change the character of Clymping by doubling the size of the village. The residents of the village have not requested or need additional housing on this scale. Clymping wishes to keep it rural character.*
> *There are major traffic issues on the roads in Clymping. The junction from Yapton Road onto the A259 by the Oystercatcher Pub is so dangerous that it has caused road fatalities. The junction from Horsemere Green Lane to Church Road is already dangerous; and the right turn from Climping Street onto the A259 is almost impossible. This proposal will add additional vehicles on these already dangerous junctions, and only exacerbate the traffic problem.*
> *The local amenities could not support a development of this scale.*
> *There are no local employment opportunities to support a proposal of this scale.*
> *The proposal would build on prime agricultural land.*

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a

small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
