Dear Sirs

Re: CM/1/17/OUT

Thakeham Planning Applicat

I wish to object to this planning application. I also wish to oppose the idea of a distant family from the area imposing its will on people who live in Climping

The grounds on which I object are:

1) It takes no account of

the local plans nor of the effect it will have on traffic and the general area.

2) It will transform the area from a semi-rural area to an urban area to which many people now appreciate.

I support the objectives of M. & The Edge.

Yours faithfully
