20th February 2017

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline application for the erection of up to 300 dwellings & ancillary development comprising open space, a building within use class D1 (Non- Residential Institutions) of up to 875 square metres net, a building for A1 (Shops) use having a floor area of up to 530 sq. metres net, together with open space & ancillary works, including car parking & drainage arrangements, with appearance, landscaping, layout & scale wholly reserved for subsequent approval. The access detail, showing the points of access to the development, & indicated on Bellamy Roberts drawings numbered 4724/004 & 4724/005 are access proposals to be determined at this stage of the application. For the avoidance of doubt all other access detail within the site is to be determined as a reserved matter at a later stage. This application is a Departure from the Development Plan & affects the setting of Listed Buildings.

Land West of Church Lane & South of Horsemere Green Lane Climping

---

Thank you for your internet representation made on 17th February 2017 which has been recorded as **'an objection'** with the comments as follows:

> *I object to the proposed additional homes in Climping for a number of reasons:*
> *- this proposal would double the size of Climping, which is an area which is already woefully short of local amenities. Horsemere Green lane does not have pavement across the majority of the street - making access very difficult on a road that many cars drive at speeds of up to 60 miles an hour. Climping would benefit from investment in areas such as this before adding more properties*
> *- there are very few local amenities in Climping...a village shop that cannot be walked to because there is no pavement. A doubling in the size of the village does not take into account the availability of local resources*
> *- the local school cannot possibly support a doubling of residents. It is ludicrous to add family housing to an area with such a small village primary school without the capacity to accommodate such a growth*
> *- the local community cannot support such growth in housing with employment. Many if not most of the inhabitants of Climping already commute out of the area for work*
> *- the local roads (Horsemere Green Lane and Church Road) are already congested at busy times and/or used as a 'rat run' to take short cut through the area. The road network in the area cannot support a doubling in size of the community*
>
> *Please take into account the very many objections to this proposal which seems to take absolutely no account of the local environment*

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control

committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Karl Roberts
Director Planning & Economic Regeneration
