Hello Claire

This was considered by Council,when it met on 23 May and would make the following comments:

1. The Community Building is in the original outline application and should therefore continue to be included

2. If a material change is made to the original application it should be readvertised and subject to fresh consultation

3. Full details for the Community Building will be considered should the outline application be approved and a detailed application come forward.

Regards

Val

Dear Val,

I've been reviewing the comments made objecting to the above application and a number of them are saying that there is no need for an additional community building in Clymping as there is already a village hall which is close to the site. It wasn't mentioned in the Parish Council comments but it would be helpful to have a view from the Parish as to whether a new building would be needed or whether funds could be provided for the existing hall instead. I've copied this to the planning agent for the site, Chris Wojtulewski so he can contact you directly to discuss this further.

Kind regards

Claire
