Subject: planning application CM/1/17/OUT
[redacted]

Ref: Planning application no. CM/1/17/OUT
Site 86 land south of Horsemere Green Lane Climping

I Sharon Sinclair-Cottrell have read the comments on the Local Plan made by Climping Parish Council which I support and endorse.

I request to intervene in relation to planning application CM/1/17/OUT.

Climping Parish Council has already requested that this application be called in for the following reasons:

The application is contrary to the Climping Neighbourhood Plan and to the following policies within it:
CNP7 Protection of open views
CNP8 Protection of trees and hedgerows
CNP9 Protection of natural habitats
CNP10 Protection of highgrade agricultural land
CNP11 Quality of design
CNP12 Reducing the risk of flooding
CNP13 Retain buildings and structures of character
CNP14 Traffic and the environment.

I fully endorse all the above points.

arun.objective.co.uk/portal is not user friendly and thus I have e-mailed you individually.

Sharon Sinclair-Cottrell
