Subject: Updated WSCC education response for CM/1/17/OUT to be uploaded to file

Hi Claire

We have discussed this internally and agreed that we'd like the money to be allocated to "the new Primary facility at either Yapton or Ford, whichever strategic site is better placed to educate the pupils from the Climping development".

In line with the standard policy between ourselves the money should come directly to West Sussex County Council for spending on the specified scheme written into the Agreement.

Many thanks
