Dear All
I would like you to please urge the Development Control Committee NOT to grant planning permission on application CM/1/17/OUT. My objections are primarily that:-

- the proposed development is far too big for the Climping area,
- that the local infrastructure cannot support such a development - the roads are already at capacity at most times of the day; the schools have no room for any more children as confirmed by WSCC & GPs surgeries are also at capacity in the area
- It is outside the Neighbourhood Plan

Thank you

Mrs Helen Button
