Subject: Mulgrave Planning Application Hearing

Dear Sirs/Madam

I live in the village of Climping and completely understand the need to build new houses and to increase the housing stock but I would like you to please urge the Development Control Committee NOT to grant planning permission on application CM/1/17/OUT as this development is far too big for the area.

My objections are that the local infrastructure cannot support such a development - the roads are already at capacity at most times of the day specifically the turning from Horsemere Green Lane on to Church Lane has become untenable and quite dangerous;

The schools have no space as confirmed by WSCC; GPs surgeries are at capacity in the area & it is outside the Neighbourhood Plan

I look forward to hearing your support for the local residents.

Yours faithfully,

Mrs Pamela Stratford
