Subject: PLANNING APPLICATION CM/1/17/OUT

Dear Councillors

With regards to the planning application CM/1/17/OUT, I would implore you to reject this application.

The local infrastructure can not cope with this number of houses.

The grade 1/2/3a farmland is of the upmost important to keep and maintain not only for this generation but for future generations.

There are hundreds of thousands of empty homes that should be occupied before new builds are permitted.

Yours Sincerely

Paul Aston-Clarke
