In acknowledging receipt of the above application, I informed you that the target date for determination of the application was 30th August 2017. Whilst every endeavour will be made to still reach a decision on your application within the statutory time it may not be possible to meet this timescale because it is necessary to await and consider the comments of the Council's Environmental Health Officer.

Please indicate your agreement by signing and dating the response slip at the end of this letter and returning it to me by 30th August 2017. Please retain a copy of my letter for your records.

If you agree to the extension of time, an appeal against non determination cannot be made until that extended period has elapsed.

Yours sincerely
