Mrs A Gardner

Dear Mr Watts

07 September 2017

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015
Application for Planning Permission

Development Change of use from storage (B8 Storage & Distribution) to industrial use (B2 General Industry) for manufacturing, storage & distribution of concrete products.
This application is a Departure from the Development Plan.

Location Unit H21 Rudford Industrial Estate, Ford Road, Ford

I refer to our previous correspondence regarding the time for determination being extended to 8th September 2017.

I am writing to ask you to formally agree to a further extension to the period for deciding your application until 19th September 2017. The reason for this is because the comments of the Council's Environmental Health Officer are still awaited and it is necessary to consider them when received.

Please indicate your agreement by signing and dating the response slip at the end of this letter and returning it to me by 14th September 2017. Please retain a copy of my letter for your records.

If you agree to this further extension of time, an appeal against non determination cannot be made until that further extended period has elapsed.

Yours sincerely

Neil Crowther
Group Head of Planning
