Dear Mrs Gardner yes the extra extension until the 20-10-2017 would be ok, I understand you need the time to look at the information and make your report,

Dear Mr Watts,

I refer to my e-mail to you earlier this week and our telephone conversation today.

I have been unable to speak to the environmental health officer who is out of the office today. She is unlikely to respond to me tomorrow and I will need time to consider her response, add the information to the application and write my report. I therefore request your written agreement to an extension of time on the application of one week until 20-10-2017. I would appreciate your confirmation before the expiry of the current EOT tomorrow.

Regards

Anita Gardner
