Subject: Footpath 174 Clymping - Clymping Mill

Hi Anita,

I was discussing Footpath 174 which runs alongside Clymping Mill with Tracey Headley-Smith. She suggested I update you also with regards to a recent site visit I carried – I am currently satisfied that the legal definitive line of the footpath is available and there is no encroachment on the Highway.

There are potential issues with regards to vegetation encroachment, particularly from behind the temporary fencing which I can address with the owner as and when required.

If there is anything else I can assist with please let me know.

Kind regards,

Darryl
