Dear Mrs Simmons,

I have been contacted by the owner of Scyld who is concerned that his property is mentioned as the application address and forms no part of the proposal. The application will therefore be re-advertised with an amended address 'Land adjacent to Scyld'. The advertising period will now end on 14-06-2019. The application expires on 11-06-2019 so we will need to agree an extension of time. Shall we say until 24-06-2019? He has also advised that referral to his property is included in plans, environmental reports, arboreal assessments and context and they are therefore out of date since they were undertaken before his acquisition of Scyld. I therefore request that the reports are updated/amended accordingly.

Please can you confirm agreement to the EOT by return and let me have amended reports within the next 2 weeks.

Regards

Anita Gardner
