Dear Sirs

Re: A/C CM 21/19 PL

I refer to the above and think the idea of 9 dwellings being built is totally

preposterous. — objections in brief: —

- 1/ Volume of traffic along Horseman Green Lane.
- 2/ Dirt & pollution by said vehicles
- 3/ Noise from said vehicles
- 4/ Danger to residents from said vehicles as N.G.L. is extremely narrow; large vehicles turning would no doubt leave ghastly tyre marks on grass areas.
- 5/ Danger to wildlife.

Now these residents think they can get away with so much building beggars believe.
