Hi Anita,

Please see attached the final reptiles survey report which confirms there are no reptiles on the site.

The applicant has also prepared a note in response to the Parish Council's objections which we will provide the Parish Council with directly to engage with them and to explain how we think the application proposals addresses the concerns they have raised.

Please can you advise whether you will be re-consulting the Parish Council ?

Are you able to provide us with your feedback on the application ?

Kind regards,
Kerry

Hi Anita,

I have tried calling and have left a voicemail for you – so just a short email to ask if we can arrange a time to speak about the application at Scyld. We are expecting the final ecology survey results within the week, but it would be useful to discuss the proposals in detail with you and to understand whether you would consider re-consulting the Parish Council ?

Kind regards,
Kerry
