Dear Anita,

Kerry is currently away on leave and in her absence I have been asked to forward you the attached Enhancements Plan which may address some of the concerns raised by the Parish Council.

The plan incorporates a number of landscaping and ecological enhancements, including mature planting and rough grassland to offer habitats and migration routes for various species. You will also see the various bird and bat boxes as well as the log piles and hedgehog houses all intended to promote sustainable habitats following construction.

We would be grateful for your feedback on the application upon your return to work, week commencing 27/08/2019 and I am happy to agree an extension of time until 5th September in order for you to provide this.

If you have any additional queries please contact me.

Kind regards,

Natalie
