

18th October 2019

Dear Sir/Madam

**Town & Country Planning Act 1990 (as amended)**  
**Town and Country Planning (Development Management Procedure) (England) Order 2015**

---

Construction of 9 no. dwellings, access, landscaping and associated works.  
Land adjacent to Scyld Horsemere Green Lane Climping

---

Thank you for your internet representation made on 18th October 2019 which has been recorded as '**an objection**' with the comments as follows:

*Still objecting. On behalf of 50 or so objectors who will probably be ignored I implore the planning department to reject this application - legally due to the objection from the Parish council which should override the planning department. The density of houses does not fit the neighbourhood plan. Existing property is overlooked and privacy invaded. Traffic surveys are completely unrealistic. The acceptance of damage to wildlife by providing hedgehog houses and bat boxes is laudable, they'll all be dead following this development. A Parish councillor has pointed out a breached covenant and rumours abound that this development will lead to an application for more houses in Wren Cottage...do the right thing please and reject this development as the villagers in Climping reject it wholeheartedly*

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website [www.arun.gov.uk/planning-privacy-statements](http://www.arun.gov.uk/planning-privacy-statements).

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no

further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther  
Group Head of Planning
