Dear Anita

Thank you. I will pass this email onto Debbie Gardner for commenting. In the circumstances, the extension of time is agreed. I will report back as soon as possible.

Dear Eimear

I acknowledge receipt of your plans. I will pass drawing 04 A through for processing as a substitute, however it is not clear from drawing 02A how the doors will be opening . Please can you amend/clarify this plan before I process it.

I will also need to agree a further extension of time with you to allow for processing and re-consultation. I would suggest that 3 weeks would be reasonable. Could you therefore agree to an extension of time until 09-11-2018 ?

Thanks

Anita

Dear Anita

Please find attached the amended plans in respect of Mill Thatch. You will note that the scheme now reverts to a thatch, not a sedum roof. The windows to the top dormer have been redesigned as well as the treatment of the bays. Upon further consideration, it was felt appropriate to retain the mid rail to two bays, reflecting this unusual feature in the building and only lower two to fully 'open' bays. Also due to the existence of the braces to the side and internal face of the post, external sliding doors offered a better solution to providing full height glazing.

If you have any further queries, please do not hesitate to contact me.
