ATTN NEIL CROWTHER – Group Head of Planning.

Dear Sir,

As a very near neighbour in Brookpit Lane, I am writing to object to the application above to provide 4 dwellings on this site.

I consider this to be overdevelopment of the site without adequate outside space and parking, and with excessive overlooking between the dwellings.

This is a sensitive site adjacent to a listed building, and should not be subject to this type of overcrowding.

Yours faithfully
PHILIP WAGNER
