Hi Stuart

An EOT up until 10th November would be fine.

Regards

Liz

Hi Liz,

I've inherited another from Anita. This time it appears we are awaiting a consultation response from Martyn White -- our Conservation specialist, Anna Appleton - Environmental Health. We have also consulted Ecology who should be responding in the next 7-10days.

I have been assured that these comments are forthcoming, however, we are not going to meet the expiry decision date of 19th Oct.

If agreeable with you, as I am working to progress this application can we look forward to an EOT up until 9th November 2018?

I would like to gain site access next week and get orientated with the site awaiting final comment.

Much appreciated
