Many Thanks

Morning,

I have worked out which application this was for so don't worry. However the report they have submitted is the same one that was already submitted so provides no updates. Due to this my comments made on the 10<sup>th</sup> August are still valid. We are only waiting for the updated great crested newt report which they discuss with the report and I have included within my comments.

Many Thanks

Liz

Hi Liz,  
Please see latest report. Can I have your comments please?  
Thanks  
Anita

Apologies in all the madness going on with my access road and having just spoken to Tracey I'm not sure I sent this!  
If you do already have it again apologies.

But as you can see I have more reports than I care to mention in fact I've spent in excess of £275k on Architects and reports and yet here we [are so](#) please shout if you need something I'm pretty sure I've got it and paid for it but as you know I am now a 1 man band down here with a property valued by Savills at zero, so please forgive me if my base reaction is 'if we ain't got it now, we never will have'.

Can I please ask you at some point soon to look at the DRP report (£20K), I do not want to do the ridiculous things Featherstone Young wanted to do with the Mill, but the skeletising of the buildings for heritage purposes and of course their ultimate protection is the only way forward for me/us.

Looking forward to seeing you Thursday  
Best  
Gary
