Dear Sir/Madam,

Town & Country Planning (Control of Advertisement) (England) Regulations 2007 (as amended)

Application No: CM/26/21/A
Site Address: Bairds Farm Shop, Garden Centre Crookthorn Lane Climping BN17 5SN
Description of works: Installation of 4 x externally illuminated fascia signs

Thank you for your internet representation made on 2nd July 2021 which has been recorded as an objection with the comments as follows:

OWPC37939

The signage looks too big for the building/container. What are the signs made of? We don't know the color of the signs. Will the lights be on 24 hrs or only while the cafe is open in dark hours. This is a rural area not an industrial site and the drive thru cafe hasn't been approved yet. They are pretty brazen about planning permission for signage already. There is too much signage. It will lower the tone of the rural feel of the neighbourhood especially since there is a listed building/house right next to it. I feel it is inappropriate.

Your views as made above will be considered before the application is determined.

In the event of a subsequent written representations appeal, against a refusal of advertisement consent any representations made on the application will be automatically forwarded to the Secretary of State.
