Dear Sir/Madam,

Town & Country Planning (Control of Advertisement) (England) Regulations 2007 (as amended)

Application No: CM/26/21/A
Site Address: Bairds Farm Shop, Garden Centre Crookthorn Lane Climping BN17 5SN
Description of works: Installation of 4 x externally illuminated fascia signs

Thank you for your internet representation made on 19th July 2021 which has been recorded as an objection with the comments as follows:

OWPC38434

This is a rural area, Climping street and most of the A259 along this stretch, doesn't have street lighting and we are opposed to extra light pollution. We would definitely not wish to see illuminated signage on whilst the outlet is closed. (planning permission for the drive thru has not yet been approved.) There is supposed to be no building south of the A259. When the land was sold to Maidenhead Aquatics (CM/30/18/PO) less than 3 years ago, certain assurances were made to Clymping residents in the planning statement of 15/10/18 which I would like to remind the planning department of.

Point 10. 'Visual impact will not be altered as the existing site and buildings as laid out are being used for the proposed use.

Your views as made above will be considered before the application is determined.
