Dear Sir/Madam,

Town & Country Planning (Control of Advertisement) (England) Regulations 2007 (as amended)

Application No: CM/26/21/A
Site Address: Bairds Farm Shop, Garden Centre Crookthorn Lane Climping BN17 5SN
Description of works: Installation of 4 x externally illuminated fascia signs

Thank you for your internet representation made on 27th July 2021 which has been recorded as an objection with the comments as follows:

OWPC38870

Objection on the grounds that it will compromise the character of the area. There are no lit signs in the area. Climping Street does not street lights, it is a rural area. It will be a distraction for drivers and will therefore impact traffic on the A259. It is within 28m of a listed residential building. There is nothing in the application to define the timing, brightness, colour of the lights. The drive through will increase traffic, pollution from queuing vehicles, including many large commercial lorries, cooking smells, increased rubbish and vermin. Please do not add light pollution to this list.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at <https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated,

you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of advertisement consent any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
Group Head of Planning
