Subject: Bairds Farm application CM/27/18/PL & CM/30/18/PO

Dear Anita,
you may be aware that the Climping Parish council heard the planning application for the Bairds Farm planning use as listed above, and they had no objections to either application, save for agreeing to your principal of not allowing totally open A1 retail consent.

In addition to their support we have a number of letters from customers and non customers who also support the application for change of use at the subject location, and I attach them for your information, They keep on coming in so I will continue to send copies into you until the date of grant of permission.

With this in mind I ask if the applications can now be decided upon by Delegated powers as apposed to a committee.

I look forward to hearing from you,

Kind regards

John Siese
