Hi Anita,
Maidenhead Aquatics and I both agree to your amendment do the title of the applications as described in your email below.
Kind regards
John siese

Dear John,
Following our meeting yesterday I think that the description of the application CM/27/18/PL would better reflect what is proposed if it is amended to 'Part change of use of farm shop (sui generis) to include sale of pet shop goods (A1). 'This is on the basis that the existing approved items including bakery, greengrocery, butchery and items for the running of a household will also potentially be sold from the premises. Further application CM/30/18/PO would similarly benefit from being altered to ' Application to modify a Planning Obligation dated 16/01/2006 under planning application CM/40/02/ to allow for additional use as a pet shop'
Please can you confirm your agreement to these amendments by return?

Regards
Anita Gardner
