Subject: CM/27/20/DOC - Langford, Horsemere Green Lane

Good morning, Mr Crowther,

I refer to a plan in his construction plan for the developer of the 9 houses that he is going to try and cram onto a site that is far too small for so many houses (CM/27/20/DOC Langford Horsemere Green Lane) to park his construction vehicles on Apple Tree Walk (paragraph 13.6). I would also draw attention to his blatant lie that he has already been in dialogue with residents of Apple Tree (paragraph 8.5). No such dialogue has already taken place.

Parking in Apple Tree Walk is solely for the use of the residents and their visitors. If the developer acknowledges that the site is too small to park his construction vehicles on then he must either:

1. reduce the number of houses he is building
2. phase the development to allow all construction vehicles to remain on site
3. make other arrangements.

Potential parking problems were drawn to the attention of Arun District Council when the original planning application was submitted, but as usual were ignored by you. Residents of Apple Tree Walk will not tolerate the developer using our close as a parking lot (I certainly won't).

If you allow us to be insulted and taken advantage of like this I will consult a solicitor and send you the bill.

With regards

Hamish Neathercoat
