Anita

With regards the application for Langford CM/27/20/DOC I, my family, and I know the Parish Council, neighbours and friends have objected to this application online. However, it would appear only one objection is logged?

These builders are already working outside the 1974 Pollution Control hours, and I strongly object to working on Bank Holidays and past 1pm on a Saturday. They have already breached Pollution Laws, starting work at 0750, have already used Horsemere Green Lane as a car park and blocked the road with heavy plant and most of the work listed under the construction plan has been completed already.

I cannot believe that the planning department just roll over for developers but the absence of objections online is as worrying as the contempt shown by a developer who does what they want.
