Thank you for your internet representation made on 24th August 2020 which has been recorded as an objection with the comments as follows:

OWPC29201

We object this application we do not want any vehicles in Appletree walk it's not safe and neither will anyone fix the damage or keep maintaining green spaces. This is currently done by residents. Parking will make it very difficult to pass both via the road and path ways. Interm of hours making noise in what is a residential area is unacceptable as it is the construction site is behind house with vunable residents etc. Horsemere green lane is becoming difficult to pass and a danger with all the mud and parking already happing and needs addressing urgently

Your views as made above will be considered before the application is determined.
