Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: CM/27/20/DOC
Site Address: Langford Horsemere Green Lane Climping BN17 5QZ
Description of works: Approval of details reserved by condition imposed under ref CM/64/19/PL relating to Condition Nos 3 - materials & finishes, 4 - Construction Management Plan, 9 - pre-commencement site meeting, 19 - foul drainage and 20 - contamination

Thank you for your internet representation made on 1st September 2020 which has been recorded as an objection with the comments as follows:

OWPC29311

Please record my objection to the application for increased working hours. The residents of surrounding properties are entitled to enjoy their homes and gardens without incessant noise of machinery and lorries reversing, particularly at weekends and bank holidays.

I understand that provided cars park legally in Appletree they are not breaking any laws but would ask they are considerate of neighbours and be aware that this is a residential area with families.

Please note that the amount of mud left on Horsemere Green Lane after vehicles movement on the site is unacceptable and consideration should be given to clean the road on a regular basis.
I note that a letter has been sent to all affected households in Appletree, I can only guess that this letter has been delivered to houses directly adjacent to the site as I have received no correspondence.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at <https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning
