Thank you for your letter of 31/05/2019.

Please note that direct connections to rising mains are not permitted.

It may be possible for the flows from the proposed development to be connected to a nearby public sewer, and the applicant may wish to investigate this option. Southern Water requires a formal application for a connection to the public sewer.

All other comments in our response dated on 19/12/2017 remain unchanged and valid.

For further advice, please contact Southern Water, Sparrowgrove House, Sparrowgrove, Otterbourne, Hampshire SO21 2SW , www.southernwater.co.uk or by email at .

Yours sincerely,
