Dear Sirs

I would like to register an objection to the Planning Application CM/29/14/PL on the plot between Horsemere Green Lane and Waterford Gardens. In my opinion this is an unsuitable site for building development given that the narrow road entrance to Waterford Gardens is inadequate for builders lorries etc and their presence would severely restrict vehicular access for residents of The Beaches and The Hamlet. Access to the building site from Horsemere Green Lane would be difficult given the presence of a ditch between the road and plot and the fact that Horsemere Green Lane itself is narrow at that point.
