Dear Mr Sullivan

Land at the entrance to Waterford Gardens, Climping
Planning application for the erection of 1 No 4 bed dwelling and garage (renewal
of planning permission reference CM/18/11).
Council ref : CM/29/14/PL

It has been brought to my attention that the Site Location Plan (PD/01) submitted with the above application is incorrect as it does not correctly reflect the extent of the applicant's land ownership.

Please find attached two copies of the correct Plan (PD/01 Rev A) that I would be grateful if you could use in place of the original plan. None of the other drawings submitted with the application need to be altered to reflect this change.

Yours sincerely
