Dear Mr Siese,

I have just received the above applications. I believe that they have the wrong descriptions. If the applications are for unfettered retail use in my view such an application would be likely to be refused. I believe that what you are seeking is an extension of the current use to include sale of pet supplies/aquatics. On this basis can you agree the following descriptions and I will amend them accordingly?

CM/27/18/PL Change of Use from farm shop (sui generis) to pet shop (A1)

CM/30/18/PO Modification of planning obligation to allow for use as a pet shop

The Site Plan should include the parking area, all parts of the building included in the application, including storage areas and the site access to the A259 within the red edge. You will also need to serve Notice on West Sussex County Council and submit Certificate 'B' to us. Application CM/27/18/PL will be put back on hold until this is resolved.

Regards

Anita Gardner
