EH Comments:

I have reviewed the above application and while I have no objections, I would recommend that this information is added as the site will need to amend their existing licence.

Conditions Recommended:

INFORMEH3 : Caravan and/or camping site licensing

Prior to the use as permanent residents, the site owner may need to have/amended a camping/caravan site licence in place. The land must have the relevant planning permission in place before a site licence can be granted. Please contact the Environmental Health Team for advice or apply online:
