Hi Ross

Please see below County has removed the footpath objection. Improvements are welcome as well however, as you know nothing is happening at the moment and no works on or adjacent to the footpath will take place without first getting County acknowledgement and then secondly informing the Arun Council out of courtesy to avoid any public concerns

Kind regards

> Following a site visit with the owner and his agent I am satisfied that the Footpath (174) is in keeping with the definitive map. I have emphasised the importance of ensuring the footpath remains unobstructed and safe and convenient for users at all times. The path is not to be obstructed by vehicles, plant, scaffolding or the temporary storage of materials and/or chemicals during any works.

> I would welcome any improvements to the route including surface and side vegetation control which I am happy to discuss further in due course.
