Hi Richard

With regards to the Biodiversity survey, please see below a link to the Householder Validation Requirements. On there you will find a link to Natural England, which should give more information about what is required. Alternatively, a Planning Agent will be able to advise where you can get this from.

Hi Nicola

Can you share any guidance on how do I go about a bio-diversity report.  
Is there a form that needs filling out?

Thanks in advance.

Richard

Good Afternoon Mr Harris

Thank you for the amended plans which I have received and checked. Firstly, please note the amended reference number above.

With regards to the Biodiversity Survey, please see the attached copy of the validation requirements map. As you can see, your property is within the Arun Valley zone, therefore the survey is required.

Please forward this to me as a PDF file by Tuesday 14<sup>th</sup> October. If you are unable to provide it by this date, please advise accordingly.

Kind Regards

Nicky Moore
