Hi Nik,

I have been on my usual 2 week holiday to Norfolk.

I have looked at your application and given the Parish Council objection I will write up the application report with a view to taking it to 09-10-2019 DC Committee. At this stage I can't confirm that a recommendation to approve will be supported by other officers, but I should be able to let you know by 20-09-2019. In the meantime can you confirm your agreement to an extension of time until 11-10-2019, by return, to cover consideration of the application at Committee?

Regards

Anita Gardner

Hi Anita

I am assuming you have had your 3 weeks off in Norfolk !

This is the most simple of applications. I know the Parish Council have objected but the fencing replaces existing and has a wooden appearance. Will this have to go to committee or are you able to speak to the Parish and put it through as a delegated application?

Perhaps you can give me an update when you get a minute.

Many thanks !

Kind regards

Hi Anita

This is a simple application for the retention of some fencing that the applicant has put up to replace old, tired, broken down fencing and to stop people fly tipping on their land.

Generally neighbours have all said it looks better and it is finished in traditional materials that will obviously a silver colour over time

I am hoping this is a straightforward permission but if you have any queries, please do not hesitate to contact me.

Kind regards
