Subject: RE: Langford DOCS

Hi Anita,

The updated report does not address the potentially contaminative uses immediately adjacent to the subject the site, nor does it adequately address the potential impacts of the former on-site agricultural use. It is therefore not possible at this stage to recommend the condition for discharge.

Thank you,

Kate.

Hi Anita

I've spoken to Kate and she will get back to you tomorrow re condition 20 (contamination) of CM/36/20/DOC

Thanks
