I am still hopeful that the decision will be issued by the 22nd of February, if you are happy to agree an Extension of Time to this date?

I am meeting with my Team Leader tomorrow to discuss my recommendation report. I will be recommending approval, although this is only a recommendation, and is subject to change.

Please do not hesitate to contact me with any queries you have.

Kind regards,

Zac

Dear Natalie,

I have a significant and urgent caseload and know that you are requesting an update. I have discussed your application with my Team Leader and it has been agreed that the application can be reallocated to another officer, Zac Denton, to hopefully progress the application in a more timely manner.

If you allow a few days for Zac to familiarise himself with the application and then send him an email he should be able to give you an idea of realistic timescales and the likely recommendation. I believe he is hopeful that the application should be determined by 22-02-2019.

Regards

Anita
