Subject: RE: Planning Consultation on: CM/37/18/OUT

App No: CM/37/18/OUT

Address: Mistletoe Farm Horsemere Green Lane Climping BN17 5QZ

Proposal: Outline application with some matters reserved for the redevelopment of site with 2 no. 4-bed detached bungalows & associated works (resubmission following CM/10/18/OUT). This application is a Departure from the Development Plan.

Biodiversity

No protected species surveys have been undertaken on the site so we are unable to establish if protected species are present. Prior to determination we require that an extended phase one habitat survey is undertaken on the site to determine if there is potential for protected species. If there is potential for protected species then further surveys would be required. These surveys plus any mitigation strategies required will need to be submitted as part of the planning application prior to determination

Kind Regards

Liz
