Dear Ms Featherstone

17th December 2018

**Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015
Application for Planning Permission**

Development Retention of 5 No. temporary storage containers for ancillary storage. This application affects the setting of listed buildings.

Location Clymping Mill Clymping Street Clymping

Thank you for your recent application which I received on 7th December 2018. It is being validated by Mrs D Johnson who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a formal application until the following item(s) have been received or resolved :-

On the location plan, please show, to scale, in metres, the position of the 5 No. storage containers.

On the block plan, please show more of the site, to the south, to include the southern most boundary of the site to match the southern end on the location plan.

The fee is based on the area of the 5 No. storage containers, therefore, a further £718.00 is due to this office.

A Householder application is not acceptable for this proposal. Please provide a Full Planning Application form.

Please provide an elevation for the storage containers.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

For further detailed information on both the National and Local Validation Requirements please go to our website: <http://www.arun.gov.uk/making-a-planning-application>

If you are unable to access the website, please contact this office so a copy can be sent to you.

Please provide the above by **31st December 2018** or your application will be closed as incomplete and you will have to resubmit if you wish to proceed with the application. If you have difficulty meeting this deadline please contact the above officer to discuss the matter.

Yours sincerely
