Dear Daun

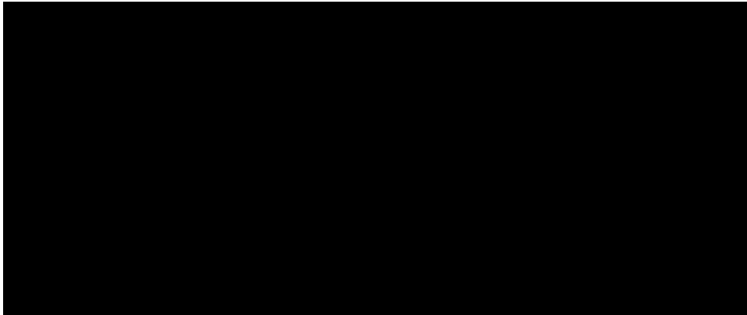

Thank you for your correspondence in relation to our container application and apologies for my slow response.

I did speak to Tracey this morning regards the pre-application submission we are about to make and i briefly confirmed to her that we will be sending the information you have requested in the first week of Jan as i have run out of time to get the information together by 2pm today when we close for Christmas. She said this should be fine, but to let you know as you are the officer dealing with the application. I think i am clear about what you are requesting and if i have any queries i will contact you in that first week. I hope this is acceptable.

Best  
Sarah
