Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: CM/38/21/PL
Site Address: The Arundel Gardener and Maidenhead Aquatics Crookthorn Lane Climping BN17 5SN
Description of works: Retention of timber cladding to side (west) & rear (south) of main building, Laying new shingle to existing made ground, lychgate to west of main building, timber cladding to generator housing & laying block paving and concrete slabs/replacement concrete slabs. This site may affect a listed building & is in CIL Zone 5 (Zero Rated) as other development.

Thank you for your internet representation made on 28th July 2021 which has been recorded as an objection with the comments as follows:

OWPC38872

The application says that they have laid shingle to existing hard standing. This is untrue. This was a grass field. Please listen to residents who know this site. Why have they done this? For what use? I am extremely worried that Maidenhead Aquatics are trying to find a way to extend the farm building in an underhand way. The Compliance Officer has issued compliance notices on this site. This is a retrospective planning application. We do not wish to lose any more grass fields. Please therefore refuse this application and request that the field is returned to its original state.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.
