Dear David,

I am sorry for the delay in determining the application. I had intended to work on it this week but it was Ctte closing and I had rather a lot to do. It is my intention to work on it on Monday next week.

Please note that I will be recommending refusal but that the refusal will only be in respect of the shingled area in the south west corner. I have not drafted the refusal reason yet but it will be to do with the harm to the Listed Building, harm to residential amenity and encroachment into countryside. This position has been agreed with senior officers.

I have no concerns with the other elements of the application. You may therefore wish to resubmit for the other elements and then you could appeal the refusal of the shingled area.

In the circumstances, I do not expect that you will grant a formal extension of time but if you are able to then an extension until Friday 12th would be helpful.

Kind Regards
