

CM/3/20/PL & CM/5/20/PL

I have reviewed the plans and it would appear that the applicant wishes to make a number of small-scale alterations to the previously approved plans. These alterations are considered to be acceptable and not harm the significance of the listed building.

As a consequence, the proposals should be determined in accordance with the relevant policies within the Development Plan, along with these comments. You will also need to take into account the contents of the Planning (Listed Buildings and Conservation Areas) Act 1990 (as amended).
