Good morning Sarah,

Working on the two clymping college applications now. Can you let me know if the below is an accurate description of the proposals?

'Single storey extension to east elevation, internal & external alterations for reinstatement of former & alteration of existing openings, removal of modern infilling, removal of modern infilling & internal blockwork, new internal door opening & partition, stair access to attic with enlargement of attic aperture, restoration of thatch, terrace & garden to west & south west elevations & to include new residential curtilage. This application may affect the setting of a listed building'.

Thank you,
Daun

Dear Daun

As requested please find attached a completed full application form for Thatch Cottage, reference CM/42/19/HH and CM/43/19/L.

Please note that this application includes alterations to previously approved scheme, LBC CM/22/18/L.

The changes we want to make to this application is to add a new extension but there are also minor changes listed below and described more fully in later section on Addendum to Heritage Statement:

- New Extension on footprint of previous agricultural buildings.
- Fenestration - Changes to replacement timber windows in lieu of existing UPVC windows and introduction of shutters.
- Minor changes to internal layout and finishes
- Minor changes to external terraces and amenity space
- Details of repair and replacement thatch roof.
- Minor changes to dedicated amenity space within the wider residential use of the site.

I have made the additional payment of £56 online with is for both CM/38/19/HH and CM42/19/HH.

Kind regards

Sarah
